

**York Road Partnership
General Meeting Minutes
June 6, 2018**

St. Mary's of the Assumption Church Hall – 5502 York Road

Meeting was called to order at 7:30 pm by President Donna Blackwell.

This month's meeting was a Candidate Forum as we approach the June 26th.

We considered 5 offices based on what we felt had the greatest opportunity to impact our neighborhood: Sheriff, Clerk of the Court, State's Attorney, Delegate and State Senator. All candidates on the ballot for those positions in our district were invited (28-29). Of those, 12 responded in time for us to accept. All parties were invited, although most ballots fielded only Democrats.

Those offices not invited, due to space considerations, were candidates for Judge of Orphan Court, Register of Wills and State Central Committee (another 20+ candidates for these 3 positions).

All who responded and met the deadline attended the forum. They were:

For sheriff:

Stanley Brandford

For Clerk of the Court:

Hassan Giordano

Anika Middleton

Valerie Cunningham

For State's Attorney

Marilyn Mosby

Thiru Vignarajah

For Delegate

Regina Boyce

Kelly Fox

Nilesh Kalyanaraman

Dong Shen

For State Senator

Joan Carter Conway

Mary Washington

Meeting was adjourned by President Donna Blackwell at approximately 8:30 pm.

Respectfully submitted by: Kristie Hazard, Recording Secretary

All meetings are open to the public.
